

3/28/2010 – Jefferson, GA. The 2010 Dalton Carpet One – Beef O'Brady's Spring League opened their new season on Sunday with 12 teams battling for the championship. The action was intense.

Local lads Jackson FC pulled out a close one from powerhouse Athens FC. The only score of the game came from John “The Bomber” Newman who let one fly from 25 yards out. “I really just concentrated on keeping my head over my toes and hoped for the best – and then when I heard the cheers, I knew it went in.” These two teams have become a sort of rivalry over the past 2 seasons. Athens FC is likely to rebound.

Other notable games were past champions Mission Foods (Braselton) vs. Trejos. Mission Foods led by the ever present Victor “The Finisher” Ortiz where not able get any shots past Trejos keeper and fought for a draw. Also in action where Jefferson's very own J-Town Crew lead by Gary Harris. J-Town had a tough time for their first time out as a team, losing 6-0 to Calientitos of Athens. Also Deportivo Jefferson where scheduled to play, but their game was forfeited due to not enough players on the opposing team.

In an exciting week for local soccer fans who saw 22 goals and some great new talent. “We are looking forward to next week's action which starts at 2pm at the Jefferson Recreation Fields. So tell a friend and bring a lawn chair – we'll see you there.” Said NEGAIS's co-coordinator Justin Cheyka. For more information go to www.negaintlsoccer.com.
